## SEPTEMBER SERIES:

### “Let’s talk about it”

How to witness to the world around us

When we say we need to “share the gospel” do we understand exactly what that means? Or do we know how this is properly communicated?

In this series, we will be looking at some key passages for gaining Biblical knowledge about the gospel message and how this knowledge should be applied in real world settings.

When Jesus commissioned the disciples to go into all the world and preach the gospel, this still applies to us so we need to be doing our part, and that starts right here in our community.

**Parents and Grandparents:**

**Biblical wisdom needs to be applied in the home—consider reading through these passages of Scripture with your child/grandchild.**

**Recommended discussion questions for at home this month:**

-What did Jesus teach Nicodemus about the truth of the Gospel?

-How did Paul preach differently in Athens compared to the Synagogues?

-How do we defend and contend for the faith?

— Jeremy

“If you love Christ, never be ashamed to let others see it and know it.  
Speak for Him. Witness for Him.  
Live for Him.”
