November Series:

GIVE THANKS

1 Thessalonians 5:18 tells us to “give thanks in everything.”

Thanksgiving and the time leading up to Christmas has to be one of my favorite times of the year. And as Christians, I believe we have more to be thankful for than any other group of people in the world.

With this series, the goal is to highlight thankfulness in the Bible and how we should always live with a heart of gratitude toward God.

Then we can use this to propel our Christian lives forward and make a difference in each of our areas of influence.

Parents and Grandparents-

I would encourage you to have conversations with your kids this month about how thankful we should be and how that affects our Christian walks.

Read through the passages of scripture on the right side of the page and discuss them with your child or grandchild.

Jonathan Edwards once said “Every Christian family ought to be as it were a little church, consecrated to Christ..” Quality time spent in the Word will always be something we should take advantage of and be thankful for!
